

Esther's Hope News Bulletin-Volume 1: Issue 5: November 2017

Dear Friend of Esther's Hope Ministries,

### Year End Appeal

**GLOBAL, GIVING, GRACE-FILLED and GROWING** ----that's Esther's Hope Ministries. Every day, talented young women are falling through the poverty cracks in Africa. Over the last two years, Esther's Hope has touched 41 lives for Christ. As a distinctly Christian ministry, we are blessed to help educate and mentor these young women, providing them with the tools they need to break out of the cycle of poverty and achieve successful futures as independent, productive citizens in the nation and in our world. This is possible because of generous donors like you who desire to make a difference in the world.

Esther's Hope is a **GLOBAL** ministry (Matthew 28:19: **Go** therefore and make disciples of all nations...). We go to the areas of greatest need in response to Christ's call for every believer to "GO". We are currently serving in Kenya, East Africa, where the plight of young impoverished girls is at a critical stage.

Esther's Hope is a **GIVING** ministry (Deut. 15:10: Give generously to the poor, not grudgingly...). We give the girls who need our help a hand-up. Esther's Hope walks alongside the families of these young women as an equal partner. We encourage guardians to participate in this process and own the success of their children as well. Esther's Hope's distinctive is that ---we do not rescue; we partner and empower.

You can change the life of a girl in Africa:

Send her to High School for \$420.00 per year (or \$35.00 per month). To learn more visit-[estershopenministries.net](http://estershopenministries.net) or call 616.635.7993 to speak with us.

Esther's Hope is a **GRACE-FILLED** ministry (1 Corinthians 13:13: And now these three remain: faith, hope and love. But the greatest of these is love). Our distinctly Christian foundation calls us to help ALL people regardless of religious, political, physical or philosophical differences. We offer compassion without judgment and are grateful to see lives transformed through the incredible grace-filled love of God.

Esther's Hope is a **GROWING** ministry (1 Corinthians 3:7: So neither the one who plants nor the one who waters is anything, but only God who makes things grow). We honor our role as participators in God's story. In addition to providing access to life-enhancing education, we mentor these young women in the areas of Faith, Finances, Family and Fitness, and then encourage them to share the principles they have learned with their peers. Our goal for 2018 is to grow the number of girls receiving the benefit of education and mentoring to 100.
