

Esther's Hope News Bulletin-Volume 2: Issue 4 April 2018

Dear Friend of Esther's Hope Ministries,

### **Donor Student Relations Update**

Thank you for your faithfulness to God's children through Esther's Hope Ministries. We are sincerely grateful for your commitment to this work. We could not do it without you.

Beginning in June, all our recurrent and annual donors will receive a letter with the picture of a new student. Our Class of 2018 is comprised of students in Form Two (Kenya School system). This means that they will have three full years in secondary school before transferring to a college or university.

In the letter, there will be a response card, that we will want you to mail back to us, stating that you are committed to praying for and sponsoring that student for another year. At the end of the school year, Esther's Hope Ministries, will reach out to you once again to re-confirm another 12-month commitment.

This year, the student will have the opportunity to write to you and you will be able to write to them. We think this will enhance your connection to them.

You can change the life of a girl in Africa:  
Send her to High School for \$420.00 per year (or \$35.00 per month). To learn more visit-[estherstshopeministries.net](http://estherstshopeministries.net) or call 616.635.7993 to speak with us.

## Praise Report

**Now, take a moment to thank God with us as we rejoice in what he has done.**

- Thank God for the progress we are making, slowly but surely in mentoring these young women for the Kingdom of God.
- Thank God in advance for the leaders that these young women will become, and for the lives that they will touch.
- Continue to pray that the team will remain faithful to God's call in the face of distractions and spiritual opposition (Mark 10:30).
