

Esther's Hope News Bulletin-Volume 2: Issue 9- September 2018

Dear Friend of Esther's Hope Ministries,

Class of 2018 Update

You made it happen! The class of 2018 will be completing another successful school year in December because you said, ***"Yes, I will sponsor a girl!"*** On behalf of Esther's Hope Ministries and the girls we serve, ***"Thank you!"***

Your kind and generous donations have given these young girls the opportunity to dream big dreams. Many of them are experiencing the miracle of uninterrupted education for the very first time in their young lives. Now they believe that a brighter future is possible for them too.

One Parent's Grateful Testimony

Mr. John Wafula Marangu says, "Thank-you," as he celebrates his daughter's admission to the Jomo Kenyatta University of Agriculture and Technology.

You can ***change*** the life of a girl in Africa:

Send her to High School for \$420.00 per year (or \$35.00 per month). To learn more visit esthershopeministries.net or call **616.635.7993** to speak with us.

Looking Forward to 2019

Esther's Hope Ministries began with a vision of **educating** 10 girls in 2016. That number increased to 32 girls in 2017, and then 100 girls in 2018.

During this same period the ministry has **expanded** its footprint from one school to three schools, with a dedicated program coordinator at each school.

Esther's Hope has also **employed** a program manager to oversee the implementation of Esther's Hope initiatives within the schools.

With your help, we can continue to pursue this daring vision to change the lives of underprivileged young girls in rural Africa.
