

Esther's Hope News Bulletin-Volume 3: Issue 6 June 2019

Dear Friend of Esther's Hope Ministries,

Our Students are Soaring!

Against all odds, the young women in our scholarship program are making history; some are the first to go to college in their families. Several of them are now pursuing future professions at various universities across Kenya. This is only possible because of you! Thank you for saying "Yes!" to the least of these (Matthew 25:40). These shining stars can now be found at the following universities:

- African Nazarene University
- Catholic University of East Africa
- Chuka University
- Jomo-Kenyatta University
- Kenya Medical Training College
- Kenyatta University
- Kibabii University
- Maseno University
- Pwani University

"To God be the glory great things he has done!"

You can change the life of a girl in Africa:

Did you Know?

41000 girls under the age of 18 are forced into child marriages every day. This affects their education and health (and that of their children), as well as their ability to earn a living. By keeping girls in school, we give them the chance to be safe and secure, to have better education and health and ultimately a better future. Join Esther's Hope in our mission to give girls a fighting chance. ***Educate a girl and save a life.***
